Miss

Chowanoka

LINDA ELAINE NIXON

For her contribution to our annual

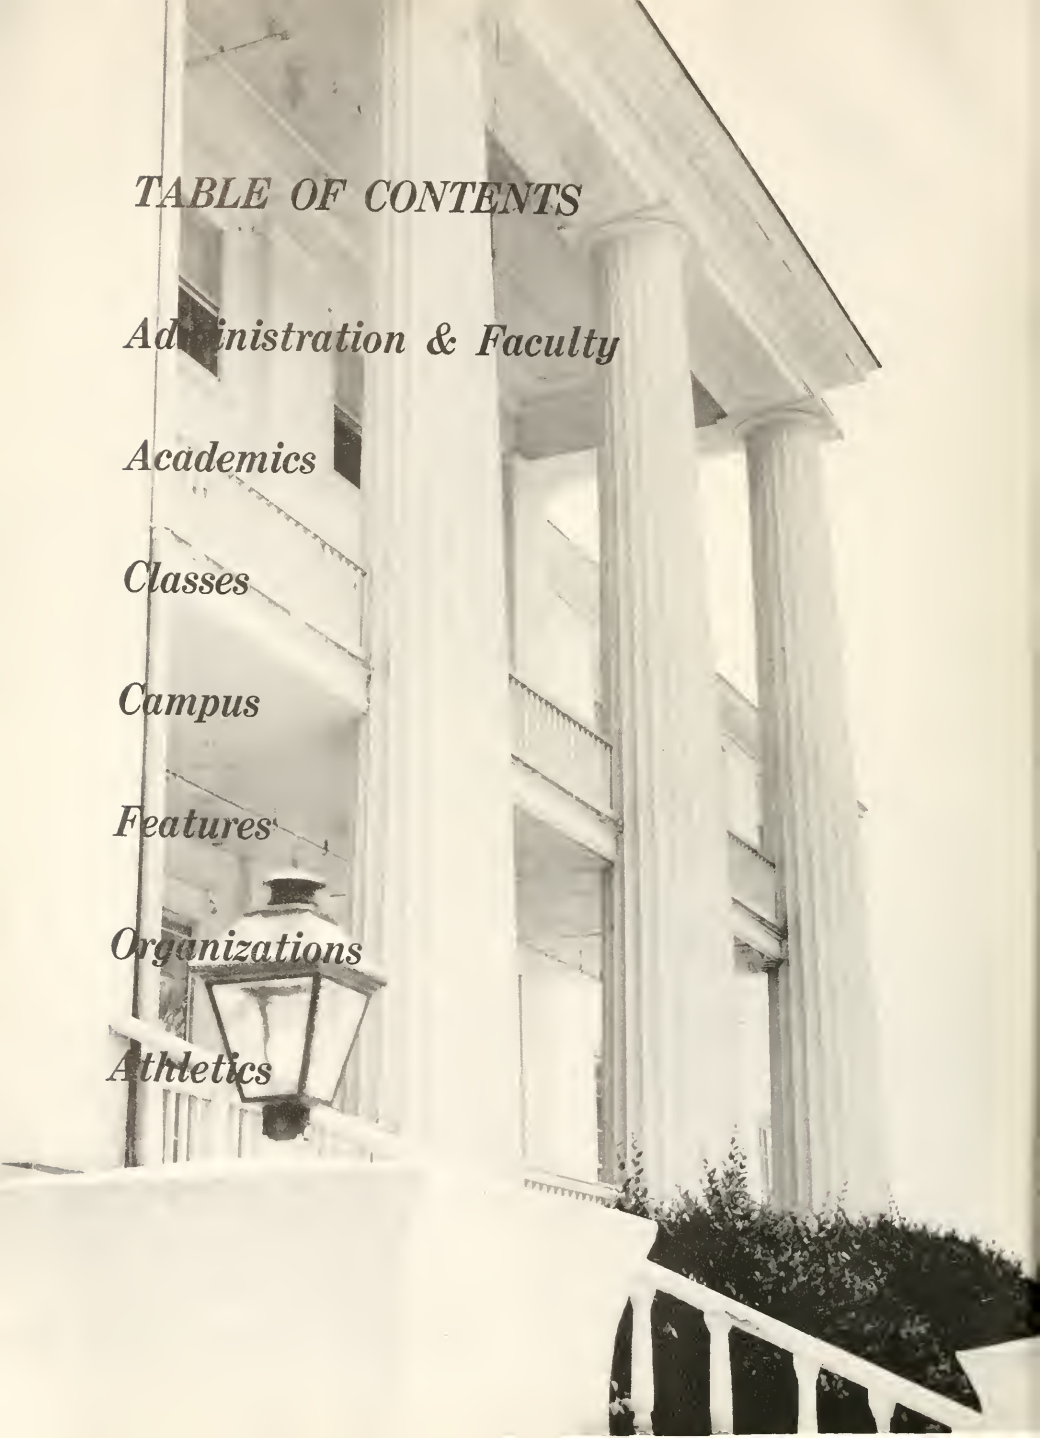

A black and white photograph of a classical building with tall columns and a balcony with a lantern. The building is the background for the text. The text is arranged vertically on the left side of the page. The building has a prominent portico with several tall, fluted columns. A balcony with a decorative railing and a lantern is visible in the lower left foreground. The overall tone is formal and academic.

DEDICATION

Dr. Ella Pierce

We dedicate the 1968 Chowanoka to one who has dedicated her life to the education of young people. Her dedication to her work and her enthusiasm for life is a constant source of inspiration to the entire Chowan College family.

It is with great pride and pleasure that we show our appreciation for her untiring efforts by dedicating the 1968 Chowanoka to Dr. Ella Pierce.

Dr. Pierce spends many hours in her office preparing lectures and counseling her students.

Catherine Ann Massey
May, 1949 -- December, 1967

In Memoriam

It is not growing like a tree
In bulk, doth make Man better be
Or standing long an oak, three hundred year,
To fall a log at last, dry, bald, and sere;
 A lily of a day
 Is fairer far in May,
Although it fall and die that night--
It was the plant and flower of Light.
In small portions we just beauties see;
And in short measures life may perfect be.
 —Jonson—

Michael Obler
January, 1949 -- October, 1967

In Memoriam

Mr. Walter Moose

August 12, 1918—March 11, 1968

On March 11, 1968, the hearts of the entire Chowan College family were saddened by the death of Mr. Walter Moose, a distinguished member of the college faculty.

Life! we've been long together
Through pleasant and through cloudy weather;
'Tis hard to part when friends are dear;
Perhaps t'will cost a sigh, a tear;

Then steal away, give little warning,
Choose thine own time;
Say not, "Good night," but in some brighter clime
Bid me "Good morning."

Mathematics

Mr. Hazelton patiently explains a math problem to one of his students.

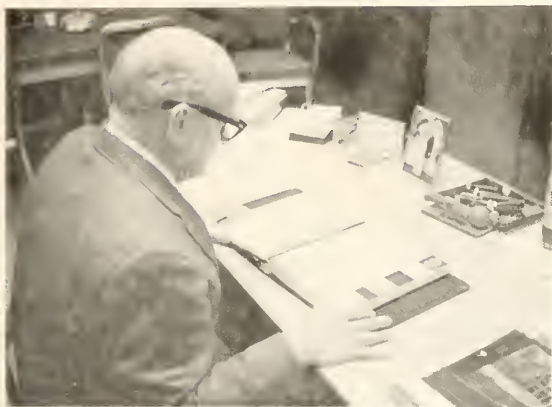

Mr. Williams and Mr. Marable find time to visit between classes.

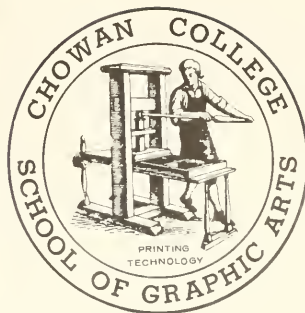

ACADEMICS

School of Graphic Arts

Mr. McSweeney at work in his office

The Chowan College Department of Graphic Arts was established in 1952, by newspaper publishers and commercial printers who saw the need for the education and training of young people for the industry. The Department of Graphic Arts is now recognized throughout the country, and its graduates are advancing in the industry--some now in supervisory-management positions. It is one of the best equipped schools of printing and offers an industrial curriculum on a backdrop of liberal arts courses.

Preston Hunter developing an offset plate

Professor Stevens explains platemaking

Science Department

The Science Department offers courses in Botany, Zoology, Anatomy, Physiology, and Chemistry. Students attend class lectures and have the advantage of lab practice in all sciences.

Botany students apply their knowledge gained in the classroom on a field trip.

Specimens found are brought back to the lab for further study.

Nursing Department

Chowan College offers a complete thirty-three month nursing course which is completed with advanced study at Duke University. It also offers a pre-nursing curriculum which prepares students for further study.

Student nurses returning to the campus after a day of work and study at the Roanoke-Chowan Hospital.

Physical Education Department

Chowan College offers courses in basic physical education for both men and women students. It also offers such special courses as elementary and advanced swimming, recreational games, and tumbling apparatus.

Basic work on the trampoline

Music Department

The courses offered in the music department are designed to serve three purposes. They provide thorough training in music for those students who wish to concentrate on music in the liberal arts curriculum; they offer a solid foundation for those students who plan to major in music; and they provide students in other departments with elective courses in music. Courses of academic study and applied music are offered.

Mr. James Chamblee, Chairman of the Music Department

English Department

Chowan College offers courses ranging from basic English principles to the study of American and English literature.

Lecture hours are backed up by many hours of research

Mr. Bob Mulder leading a discussion

Language Department

Courses are offered in French, Latin, and Spanish for those students who have had no previous study of the language and for those more advanced students who wish to continue their study of the language.

Mr. Carson supervising the use of the language tape lab.

Department of Business

Chowan College offers comprehensive programs to train young ladies in the field of secretarial science. The Secretarial Administration program includes training in general office skills as well as in the use of all types of office machines. Chowan also offers specialized training for legal and medical secretaries.

Secretarial Administration majors learn to use all types of business machines including the dictaphone and the A. B. Dick Mimeograph.

Business Administration majors

The Nancy Taylor course

Department of Religion

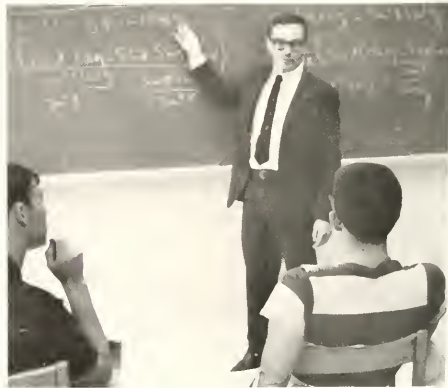

A survey is made of the Old and New Testament for the purpose of giving the student an understanding of the history, and literature.

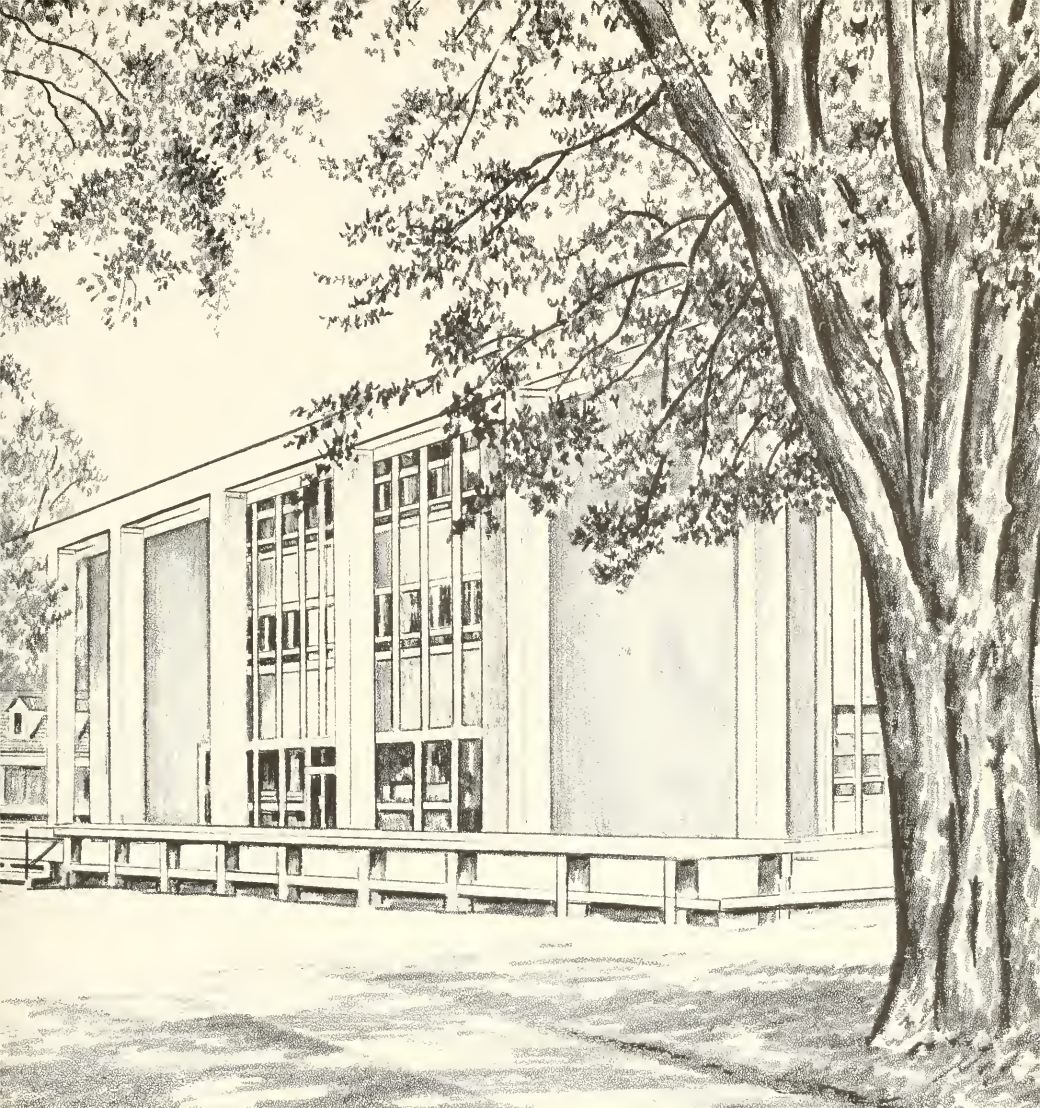

Mrs. Whitaker in one of her lectures.

Department of Mathematics

The courses offered in the Mathematics Department are designed to help the student understand the different types of math ranging from Algebra to Trigonometry.

Mr. Wooten explains a math problem to his students.

Christian Focus Week

March 10-15

“The Courage To Be...”

Christian Focus Week affords the opportunity to examine our perspectives, to recognize challenges, and to set worthy objectives for our lives. For this purpose, a group of able leaders were invited to our campus, whose achievements and experiences qualify them as interpreters of the urgent needs of our world, demanding the services of trained, intelligent, and dedicated young people.

One of the most popular aspects of the week was the nightly “bull sessions” in the dorms.

Mrs. Jo-Alice Halsell visited some of the classes to deliver guest lectures.

ORGANIZATIONS

Student Government Association

PURPOSE

The Student Government Association strives to achieve a more democratic society on Chowan's campus. The organization works to promote the best interests of the College; to further the welfare of the Student Body; to cooperate with the administration and faculty in regulating matters pertaining to the conduct of the students, and to represent student opinion in student faculty administration relations. The Senate composed of the presidents of all organizations on campus and the Student Government Officers assists the S. G. A. in its efforts to promote a more efficient and democratic governing body. The SGA sponsors concerts and off campus socials. These groups in conjunction with one another play a vital role in the lives of Chowan students. Mr. L. M. Wallace is advisor of this group.

Woman's SGA

(L-R): Anne Carter, Pam Rosser, Debbie Watson, Lea Ennis, Linda Nixon, Janet Morris, Aimee Oatman, Betsy Craig, Becky Badgett, Dianne Boykin, Roberta Alberti.

Men's Council

The men's council is a judiciary group under the capable direction of the Dean of Men, Mr. Clifton S. Collins. It strives to maintain and develop a spirit of cooperation among the male students, faculty, and administration while developing loyalty, unity of spirit and a feeling of responsibility. In keeping with the constant pace of progressive Chowan College, the council has revised both its purpose and responsibility.

P. Brinkley.

The 1968 Chowanoka Staff

If time and effort go hand-in-hand with that which is worthwhile, The 1968 Chowanoka is a valuable publication. Compiling a book filled with memories which will last a lifetime has been an illusive goal at times but, we on the staff feel this goal has been achieved.

The extensive work involved in producing such a treasure as this can be known only by those who have had first-hand experience of participating in it. Hours upon hours have been spent in making pictures, writing copy, putting the right cut-lines with the proper pictures, and many hours spent in layout and design not to mention the time spent in printing this book. At times tempers were frayed and deadlines violated; but when the entire job was finished there was a feeling of satisfaction in a task well done.

We, the staff, deeply appreciate the honor and the encouragement given to us by our fellow students and by members of the staff. We sincerely hope all of you will be pleased with this edition of The Chowanoka.

Action

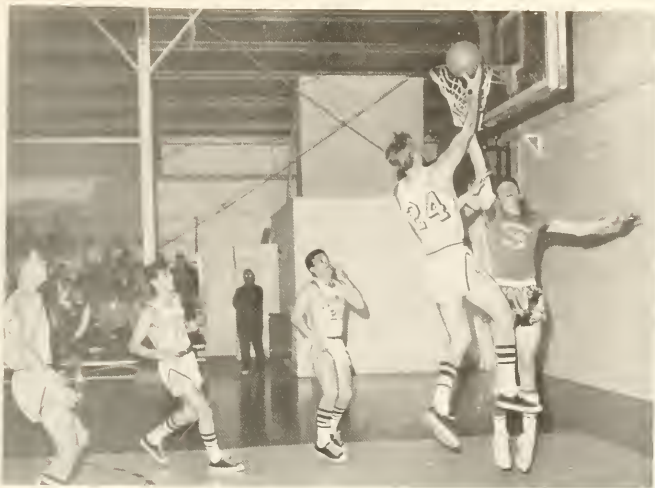

Chowan player Louise Fiore, No. 11, takes to the air for a basket.

The Chowan team being welcomed onto the floor by pretty cheerleaders.

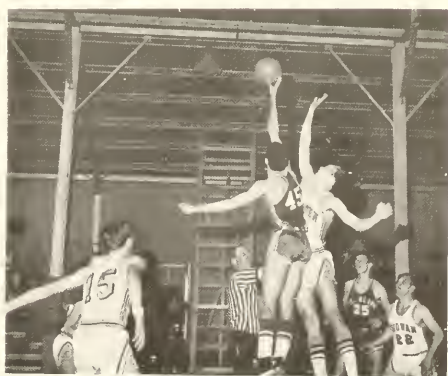

Surrounded by the opposing team's player's, Chowan's Tom Soter, No. 21, goes up for two points.

Under the watchful eye of fellow teammates, Wayne Cook scores to keep Chowan rolling, in a game against Chesapeake College.

It looks like Mitch Lancaster, No. 31, for Chowan is trying to out jump the Chesapeake player, to get the score.

Chowan center Wayne Cook, is out jumped by the Mt. Olive center.

A Look To The Future

The Whitaker Library and Fine Arts Building is expected to be completed and ready for use by the beginning of the fall term.

Many Chowan College students have made their plans for the completion of their college education by talking with the representatives from various schools here on campus.

A Message To The Student

To the generous mind, the heaviest debt is that of gratitude, when it is not in our power to repay it.

--Franklin

I owe to so many a debt of gratitude that it would be impossible to single all of them out. I do, however, want to express my gratitude to some of those who have made this year book a reality.

I want to thank, first of all, Mr. William Sowell, our advisor, for his encouragement and his faith in me through the year.

I want, also, to express my appreciation to the boys in the Graphic Arts Department who printed *THE CHOWAN* OKA.

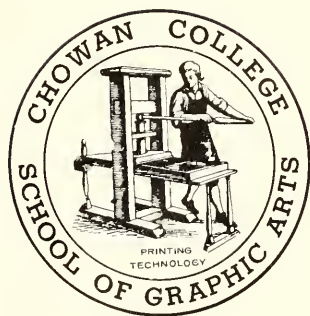

It is my sincere wish that when you look through this book in the years to come, it will serve as a reminder of many pleasant memories here at Chowan College.
